Request for Proposal

For

“Empanelment of Manufacturer/Mill for Supply of Yarn”

INTRODUCTION

National Handloom Development Corporation Limited (NHDC) was set up in February 1983 as a Public Sector Undertaking by the Government of India as an autonomous body under the Companies Act 1956 in pursuance of the imperative need for a National Level Agency to assist the speedy development of the Handloom Sector by coordinating all action covering the procurement and supply of inputs at reasonable prices augmenting the marketing efforts of State upgrading the technology in the Handloom Sector & improving productivity.

Yarn is the basic input for the handloom production. Therefore, its regular and adequate availability at reasonable prices has always been a matter of prime importance to Government for ensuring continuous employment in the handloom sector. Presently, Corporation is arranging supplies of yarn for the benefit of handloom weavers in almost all states. The major supplies are under Govt. of India's Yarn Supply Scheme (YSS) through the state level handloom corporations/ apex bodies, handloom development centres/ weaver cooperatives, manufacturers engaged in production of handloom goods for exports, NGOs, weaver entrepreneurs, SHG/ JLG, individual weaver etc.

It is the prime duty of corporation to make available all types of yarn at Mill Gate Price to the eligible handloom weavers so as to facilitate regular supply of basic raw materials to the handloom sector and help utilize the full employment potential of the sector. It has also fulfilled its objective to ensure raw material inputs such as yarn, dyes & chemicals to State handloom Agencies, Primary Handloom Cooperative Societies, Individual weavers and HEPC members etc., which ultimately results in the increased earnings for the weavers.

The objective of this RFP is to empanel Manufacturer/Mill who are interested and capable of supplying Yarn of different varieties such as Cotton, Silk, Wool, Jute etc as raw material required by Handloom agencies/weavers.

The above fee is applicable for Mill having only one Unit. For every additional unit of the Mill, additional Inspection fee (non - refundable) of Rs. 5,000/- would be charged extra.

2. The applicants having more than one Unit/Mill, separate set of application form be submitted along with necessary annexures and enclosures and Inspection fee as applicable.
3. The Manufacturer/Mill shall be on the panel of the Corporation for a period of 03 Years. NHDC shall review the performance and services of the Manufacturer/Mill after 03 year and the services shall be extended if found satisfactory. NHDC shall have right to de-panel the Manufacturer/Mill or entire panel without assigning any reason.

NHDC may, without prejudice to any other remedy as may be available for breach of contract, by a written notice, sent to the Manufacturer/Mill, may terminate the contract in whole or in part, once any default is noticed.

- if the Manufacturer/Mill fails to deliver / undertake any or all of the services within the time period(s) specified in the contract / work schedule/request , or any extension thereof granted by the NHDC
4. NHDC agrees and understands to pay against supply of yarn immediately on receipt of corresponding payment from the handloom user agencies/weavers.
 5. NHDC reserve its right to cancel the order in the event of one or more of the following situations, that are not occasioned due to reasons solely and directly attributable to NHDC alone:
 - i. Delay in delivery beyond the specified period.
 - ii. Discrepancy in the quality of service.
 - iii. In case of cancellation of order, any payment made by the NHDC to the Manufacturer/Mill would necessarily have to be returned to NHDC. Further, the Manufacturer/Mill would also be required to compensate NHDC for any direct loss suffered by NHDC due to the cancellation of the contract / purchase order and any additional expenditure to be incurred by NHDC to appoint any other Manufacturer/Mill. This is after repaying the original amount paid.

6. In the event of termination of the Contract due to any cause whatsoever, [whether consequent to the stipulated term of the Contract or otherwise], NHDC shall be entitled to impose any such obligations and conditions and issue any clarifications as may be necessary to ensure an efficient transition and effective business continuity of the Service(s) which the Manufacturer shall be obliged to comply with and take all available steps to minimize loss resulting from that termination/breach, and further allow the next successor Manufacturer to take over the obligations of the erstwhile Manufacturer/Mill in relation to the execution / continued execution of the scope of the Contract.
7. Force Majeure is herein defined as any cause, which is beyond the control of the selected bidder or NHDC as the case may be which they could not foresee or with a reasonable amount of diligence could not have foreseen and which substantially affect the performance of the contract, such as:
 - i. Natural phenomenon, including but not limited to floods, droughts, earthquakes and epidemics.
 - ii. Acts of any government, including but not limited to war, declared or undeclared priorities, quarantines and legal embargos, Terrorist attack, public unrest in work area.
 - iii. Provided either party shall within 10 days from occurrence of such a cause, notify the other in writing of such causes. The selected bidder or NHDC shall not be liable for delay in performing his/her obligations resulting from any force majeure cause as referred to and/or defined above. Any delay beyond 30 days shall lead to termination of contract by parties and all obligations expressed quantitatively shall be calculated as on date of termination. Notwithstanding this, provisions relating to indemnity, confidentiality survive termination of the contract.
8. The Manufacturer/Mill and the NHDC shall endeavor their best to amicably settle all disputes arising out of or in connection with the Contract in the following manner:
 - i. The Party raising a dispute shall address to the other Party a notice requesting an amicable settlement of the dispute within seven (7) days of receipt of the notice.
 - ii. The matter will be referred for negotiation between Authorized Official of NHDC/Purchaser and the Authorized Official of the Manufacturer/Mill. The matter shall then be resolved between them and the agreed course of action documented within a further period of 15 days.

In case any dispute between the Parties, does not settle by negotiation in the manner as mentioned above, the same shall be resolved exclusively by arbitration and such dispute shall be submitted by either party for arbitration within 20 days of the failure of negotiations. Arbitration shall be held in Greater Noida/NCR and conducted in accordance with the provisions of Arbitration and Conciliation Act, 1996 or any statutory modification or amendment thereof.

The arbitrators shall hold their sittings at Greater Noida/NCR. The arbitration proceedings shall be conducted in English language. Subject to the above, the courts of law at **Lucknow** alone shall have the exclusive jurisdiction in respect of all matters connected with the Contract/Agreement.

9. NHDC reserves the right to modify any terms, conditions and specifications of this request for submission of offer and to obtain revised bids from the Mill/Manufacturer with regard to such changes. NHDC reserves its right to negotiate with any or all Mill/Manufacturer. The NHDC reserves the right to accept any application in whole or in part without assigning any reason and without any cost or compensation therefor.
10. **Jurisdiction:** The disputes or differences arising out of or in connection with the Empanelment to be executed between the NHDC and the Manufacturer shall be subject to the exclusive jurisdiction of the courts at **Lucknow**.
11. The selected Manufacturer/Mill shall ensure that the products provided by them for the aforesaid requirements / services must be in compliance with the laws, rules, regulations etc. The Manufacturer/Mill is solely responsible for any legal obligation related to licenses during contract period for the solution proposed and Manufacturer/Mill shall give indemnity to that effect.
12. NHDC shall be under no obligation to accept any offer received in response to this RFP and shall be entitled to reject any or all offers without assigning any reason whatsoever and without any cost or compensation therefor. NHDC has the right to re-issue the RFP. NHDC reserves the right to make any change in the terms and conditions of purchase during the process that will be informed to all Manufacturer/Mill. NHDC will not be obliged to meet and have discussions with any Manufacturer/Mill, and/or to listen to any representations once their offer is rejected. Any decision of NHDC in this regard shall be final, conclusive and binding upon the Manufacturer/Mill.
